TRIBUTE TO NANCY BRINLY

By Tom Pennington, PT
Board Chairman

Chances are if you are a licensed P.T. or P.T.A. in the state of Kentucky and have not encountered or know of Nancy Brinly—then there is a great possibility that you are not a carbon-based entity. I have met very few people in life that come close to sharing a fraction of Nancy’s commitment and passion toward a cause. This particular cause happens to be the advancement of physical therapy and total protection of the public within Kentucky. Not to understate Nancy’s passion, she also has had a tremendous impact nationally on public protection issues by her leadership at our national licensure organization.

As present and past chair of our state board, I and all the many present and past board members could relate countless stories and examples of total commitment and self-sacrifice that Nancy made to ensure the integrity of our profession and reputation that we all enjoy when we call ourselves physical therapists and physical therapist’s assistants to others in the Commonwealth. Nancy, we thank you for setting, maintaining, and advancing a standard of excellence and commitment that personifies genuine and unselfish excellence.

In case you haven’t heard, Nancy is retiring from her position as Executive Director of our state board on August 1st of this year after having served in this position since October of 1978. We celebrate and delight in the closure of an exciting and great chapter—well, novel!

In closure, I want to illuminate some of Nancy Lee Blankenship Brinly’s accomplishments and contributions to our profession:
• Distinguished Service Award, University of Kentucky (2000) – College of Allied Health Professions that recognized a non-university affiliated individual who has given great service to the university
• President’s Award (1996) – Recognition for Distinguished Service to the Federation of State Boards of Physical Therapy
• Outstanding Physical Therapy Service Award (1981) – Recognized by KPTA for outstanding contributions
• APTA Member since 1957
• Past and Present (1962-present) KPTA officer and committee member ranging from President, Chief Delegate to National Conference, to Awards Committee, etc.
• Past and Present (1986-present) FSBPT Committee Chairman and member ranging from Administrative Staff Committee, Program Committee, Education Committee, Ethical Standards Committee, etc., etc.,
• Norton Children’s Hospital/Alliant HS, Louisville, Kentucky (1962-1998) – P.T. Director, staff P.T., consultant, registry P.T.
• Methodist Evangelical Hospital, Louisville, Kentucky (1962-1966) – staff P.T.
• Palo Alto – Stanford Hospital Center, Palo Alto, California (1961-1962) – In-Patient P.T.
• The Charity Hospital of Louisiana in New Orleans, Louisiana (1959-1961) – Chief P.T. - In-Patient Division
• Jewish Hospital, St. Louis, Missouri (1959 summer) – staff P.T.
• Washington University, School of Medicine, St. Louis, Missouri (1959) – B.S., Physical Therapy
• I am running out of Newsletter space on Nancy’s accomplishments. There are at least eight other professional organizations/committees/boards outside the physical therapy profession in which Nancy has shared her passion from 1966 to present. They range from Council of Higher Education to National Cystic Fibrosis Foundation, University of Louisville and University of Kentucky.

Concurrently, and in addition to all the above, Nancy is the widow of Robert Brinly and mother of two children, Casey and Cecilia. Just like Jimmy Stewart in Bradford Falls, I cannot imagine the void we would have if Nancy had not committed her life to us and our patients. God Bless You Nancy!! Consider this a standing ovation throughout the Commonwealth of Kentucky.
BECKY KLUSCH
NEW EXECUTIVE DIRECTOR

When contemplating a replacement for the Executive Director, the Board advertised in the “Louisville Courier Journal,” and interviewed potential candidates. We are very pleased to announce that current fiscal officer Becky Klusch, selected over other candidates, will assume the Director’s role on August 1st.

You were previously introduced to Becky when she returned to Louisville in August 1997. While working full time for the Board, Becky has earned her Bachelors of Business Administration (BBA) degree in Management at McKendree College in Louisville, graduating Magna Cum Laude on June 17, 2000. A paper she wrote to fulfill a writing proficiency requirement for graduation titled “College at 53!” was selected by the President of McKendree College(s) for publication in their National Alumni Journal. We welcome Becky into this new role and congratulate her for these accomplishments.

Becky’s adaptiveness in licensure agency matters emerged during the six years she was the Financial Coordinator for the Kentucky Board of Medical Licensure. This assisted in preparing her for her PT Board role, which has included writing, securing, and managing personal service contracts, preparing the biennial budget for Legislative approval, and implementing the complex statewide MARS system for online fiscal and personnel transactions. She assists Nancy Brinly in most board functions, including conducting investigations and managing disciplinary action files in preparation for a hearing or other disposition.

AMENDMENTS TO KRS CHAPTER 327

EFFECTIVE JULY 15, 2000

Representative Joni Jenkins (D, Shively) sponsored major amendments to KRS Chapter 327, "The Physical Therapy Practice Act" in the 2000 Session of the Kentucky Legislature. KPTA lobbyist Judith Taylor & Rep. Jenkins successfully and adeptly marshaled the bill through committees, and on the floor of the House and Senate., coordinating testimony from the board and legislator contact as appropriate. In September 1999, the proposed changes were mailed to each licensee, followed by regional forums were held throughout the state to explain proposed changes and to receive comments. Pre-submission, the board and the KPTA had worked together on modifications which each could fully support. These are the first substantial amendments sought and enacted since 1984. No changes were made to the physical therapist scope of practice, but multiple changes and additions enhance public protection.
