practice standards.

Public notice of any revisions shall be posted on the Web site of the commission. The revision shall be subject to challenge by any person for a period of thirty (30) days after posting. ## SECTION 10. OVERSIGHT, DISPUTE RESOLUTION, AND ENFORCEMENT

### A. Oversight

1. The executive, legislative, and judicial branches of state government in each member state shall enforce this Compact and take all actions necessary and appropriate to effectuate the Compact's purposes and intent. The provisions of this Compact and the rules promulgated under this Compact shall have standing as statutory law.

3. The commission shall be entitled to receive service of process in any judicial or administrative proceeding relating to this Compact, and shall have standing to intervene for all purposes in any judicial or administrative proceeding relating to this Compact. Failure to provide service of process to the commission shall render a judgment or order void as to the commission, this Compact, or promulgated rules.

### B. Default, Technical Assistance, and Termination

1. If the commission determines that a member state has defaulted in the performance of its obligations or responsibilities under this Compact or the promulgated rules, the commission shall:

  - b. Provide remedial training and specific technical assistance regarding the default.
2. If a state in default fails to cure the default, the defaulting state may be terminated from the Compact upon an affirmative vote of a majority of the member states, and all rights, privileges, and benefits conferred by this Compact may be terminated on the effective date of termination. A cure of the default does not relieve the offending state of obligations or liabilities incurred during the period of default.
3. Termination of membership in the Compact shall be imposed only after all other means of securing compliance have been exhausted. Notice of intent to suspend or terminate shall be given by the commission to the Governor, the majority and minority leaders of the defaulting state's legislature, and each of the member states.
4. A state that has been terminated is responsible for all assessments, obligations, and liabilities incurred through the effective date of termination, including obligations that extend beyond the effective date of termination.
5. The commission shall not bear any costs related to a state that is found to be in default or that has been terminated from the Compact, unless agreed upon in writing between the commission and the defaulting state.
6. The defaulting state may appeal the action of the commission by petitioning the United States District Court for the District

of Columbia or the federal district where the commission has its principal offices. The prevailing member shall be awarded all costs of this litigation, including reasonable attorney's fees.

C. Dispute Resolution

1. Upon request by a member state, the commission shall attempt to resolve disputes related to the Compact that arise among member states and between member and nonmember states.
2. The commission shall promulgate a rule providing for both mediation and binding dispute resolution for disputes as appropriate.

D. Enforcement

1. The commission, in the reasonable exercise of its discretion, shall enforce the provisions and rules of this Compact.
2. By majority vote, the commission may initiate legal action in the United States District Court for the District of Columbia or the federal district where the commission has its principal offices against a member state in default to enforce compliance with the provisions of the Compact and its promulgated rules and bylaws. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing member shall be awarded all costs of the litigation, including reasonable attorney's fees.
3. The remedies authorized under this section shall not be the exclusive remedies of the commission. The commission may pursue any other remedies available under federal or state law.

SECTION 11. DATE OF IMPLEMENTATION OF THE INTERSTATE COMMISSION FOR PHYSICAL THERAPY PRACTICE AND ASSOCIATED RULES, WITHDRAWAL, AND AMENDMENT

- A. The Compact shall come into effect on the date on which the Compact statute is enacted into law in the tenth member state. The provisions, which become effective at that time, shall be limited to the powers granted to the commission relating to assembly and the promulgation of rules. Thereafter, the commission shall meet and exercise rulemaking powers necessary to the implementation and administration of the Compact.
- B. Any state that joins the Compact subsequent to the commission's initial adoption of the rules shall be subject to the rules as they exist on the date on which the Compact becomes law in that state. Any rule that has been previously adopted by the commission shall have the full force of law on the day the Compact becomes law in that state.
- C. Any member state may withdraw from this Compact by enacting a statute repealing the Compact.
  1. A member state's withdrawal shall not take effect until six (6) months after enactment of the repealing statute.
  2. Withdrawal shall not affect the continuing requirement of the withdrawing state's physical therapy licensing board to comply with the investigative and adverse action reporting requirements of this Compact prior to the effective date of withdrawal.
- D. Nothing contained in this Compact shall be construed to invalidate or prevent any physical therapy licensure agreement or other cooperative arrangement between a member state and a nonmember state that does not conflict with the provisions of this Compact.
- E. This Compact may be amended by the member states. No amendment to this Compact shall become effective and binding upon any member state until it is enacted into the laws of all member states.

SECTION 12. APPLICABILITY TO KENTUCKY STATE GOVERNMENT

In order to clarify the effect of certain provisions of this Compact and to ensure that the rights and responsibilities of the various branches of government are maintained, the following shall be in effect in this state:

- A. By entering into this Compact, this state authorizes the licensing board as defined in Section 2.19. of this Compact and as created by KRS Chapter 327 to implement the provisions of this Compact.
- B. Notwithstanding any provision of this Compact to the contrary:
  1. When a rule is adopted pursuant to Section 9 of this Compact, the licensing board of this state as defined by Section 2.19. of this Compact shall have sixty (60) days to review the rule for the purpose of filing the rule as an emergency administrative regulation pursuant to KRS 13A.190 and for filing the rule as an accompanying ordinary administrative regulation, following the requirements of KRS Chapter 13A. Failure by the licensing board of this state as defined by Section 2.19. of this Compact to promulgate a rule adopted by the Physical Therapy Compact Commission as an administrative regulation pursuant to KRS Chapter 13A shall result in the initiation of the process for withdrawal as set forth in Section 11 of this Compact. Nothing in these provisions shall negate the applicability and effect of Section 9.K. of this Compact to this state.
  2. If the proposed administrative regulation is found deficient and the deficiency is not resolved pursuant to KRS 13A.330 or 13A.335, the provisions of Section 10 of this Compact shall apply. If the procedures under Section 10 of this Compact fail to resolve an issue, the provisions of Section 11 of this Compact shall apply.
  3. **201 KAR 22:010. Objectives of physical therapy.**

RELATES TO: KRS 327.010

STATUTORY AUTHORITY: KRS 327.040

NECESSITY, FUNCTION, AND CONFORMITY: The practice of physical therapy is rapidly evolving and changing in purpose and scope. The purpose of this administrative regulation is to define clearly the desired goals of physical therapy and the permissible means of achieving these goals. In this manner, standards of physical therapy practice are clearly established and may be used to evaluate particular treatments which have been used or which may later evolve.

Section 1. Goals of the patient-physical therapy unit include, but are not limited to, maintaining health, preserving functional capacity, and in the presence of impairment, developing or reestablishing function through carefully planned, and implemented programs. In order to reach these objectives, the physical therapist provides consultation, evaluates patients, identifies problems, plans programs, and provides direct treatment.

Section 2. Patient Management. Adequate, effective, and efficient patient care is the ultimate goal of physical therapy. The physical therapist evaluates each patient, and determines those ways in which he can contribute to total health management. He then plans and implements a treatment program, reevaluating and making modifications as necessary. A physical therapist shall refer to a licensed physician or dentist any patient whose medical condition should, at the time of evaluation or treatment, be determined to be beyond the scope of practice of the physical therapist. When basis for treatment is referral, the physical therapist may confer with the referring physician, podiatrist, dentist, or chiropractor. (eff. 12-2-86.)
